Dear Mrs. Ogawa,

The 2009 International Monetary Conference (IMC) has been judged an outstanding success by the members and we need to share much of the praise with you and WAK JAPAN. Every aspect of the Conference coordinated by WAK JAPAN was managed and executed superbly.

The creativity WAK JAPAN brought to this project was extremely helpful as we endeavored to develop the perfect selection of spouse and optional tours. From our intense planning trip in 2008, to our thorough exploration of the many venues in Kyoto, we were assured that our collaboration with WAK JAPAN would produce an extraordinary program. You provided our members with a richly gratifying experience filled with many exclusive and unique opportunities that showcased the beauty and deep cultural heritage of Kyoto and Japan. This could not have been accomplished without your dedication and personal commitment to us and the IMC.

Toyoko Umeda deserves special recognition for her unwavering support, exceptional organization, patience, and most of all, her attention to detail. The management and implementation of the IMC reception and dinner at The Garden Oriental resulted in a beautiful evening that was thoroughly enjoyed by everyone. Her coordination of the optional excursion and spouse program arrangements, staffing, and the numerous other logistical details was unsurpassed. Toyoko was a tremendous asset to the IMC Team.

Mrs. Ogawa, it was an enjoyable and rewarding experience working with you and your staff on the 2009 IMC. WAK JAPAN has set an extremely high standard that we can only hope others will match in the future. We would strongly recommend WAK JAPAN to anyone requiring the highest level of professionalism, service, and creativity. Thank you again for your support and tireless efforts, and best wishes for your continued success.

Warmest regards from the IMC Team,

*Mike D'Arayo Belen Morera Anne Fisher
